

Who are the Nitro Knockouts?

We are a group of women of all ages from Bandimere Speedway that enjoy doing things together throughout the year on and off the track. Our goal is to provide support, encouragement and activities to female racers, fans and staff. We are shifting gears into motorsports, it's not a Good Ole' Boys Club anymore!

How do I join?

Really easy, fill out a membership form, pay a one-time fee of \$39.00 and you are in! With your membership you receive a FREE starting tree necklace and have access to special privileges at various events at Bandimere Speedway, Women only race classes, Women's Expo, Street Party, and much more! As a member you also have the opportunity to support causes that women care the most about; women's health, children, family support and networking.

How do I find out about different events?

Check your email often. With over 600 members, we do most of our communicating by email. Also check out our Facebook page and ask to be a part of our Facebook group. We also have a Nitro Knockout Linked-in group; this is a great tool for networking. If you prefer the good old fashion "snail mail" through the post office, we can do that too!

Who do I contact if I have questions?
